Maxwell Paternoster and Will Barras invite you to roll down your windows and inhale the exhaust fumes of their lives.

About the artists:

Will Barras is an artist, illustrator and animation director living and working in Hackney Wick, London. He grew up in Birmingham and moved to Bristol to study graphic design. He became one of a new crop of young artists working in Bristol's renowned street-art scene. He was a founding member of the Scrawl collective, alongside Steff Plaetz and Mr. Jago, thanks to his representations of fluid movement, unique narrative-driven composition, and line work.

Maxwell Paternoster lives and works in Hackney Wick, London. He creates works that reflect his keen interest in the motorcycle scene. His drawings are full of incredible machines and weird creatures, dark and funny at the same time.
